## *Message from the Superintendent*

At the January 14<sup>th</sup> Crestview Board of Education meeting, Finance Committee Chairman Dan Simmons and District Treasurer Charlene Mercure announced that on December 27<sup>th</sup> the district had made the final payment on the loan for the construction and renovation of the Crestview Stadium project. The stadium project began in the spring of 2003 and was completed in time for the first home football game in 2003.

The project included installation of new bleachers on both the home and visitor's side, construction of a new press box, installation of a new all-weather track, installation of a new drainage system for the track and field, construction of new restroom facilities, new interior field fencing and paving of the football stadium parking lot. The entire project was completed at a cost of \$956,000.00, which was financed at a rate of 3.63% and paid through the Board's Permanent Improvement Fund. The architect for the project was Terry McCoy of Strollo Architects, and the general contractor was Vasco, the sub contractors were, Dave York Bleachers, Allen Hodge Construction, Joe Dickey Electric, Sanford Plumbing, B & J Electric and York Mahoning HVAC.

The completion of the project in 2003 not only improved the appearance of our Crestview Athletic Facilities, but it also brought the stadium in compliance with the Americans with Disabilities Act by providing handicap access throughout the stadium. The Crestview Athletic Facilities are a community resource, not only meeting the needs of the high school football and track teams, but also providing attractive facilities for the Crestview Little Rebels, and serving the community for activities such as Relay for Life, and other community events. The track is also available daily for community use during non-school hours.

The Crestview Board of Education is constantly striving to improve the safety, efficiency and aesthetics of our schools. It is through their attention to improving our school facilities that they keep the Crestview Schools *the heart* of our community!

*John Dilling, Superintendent*
