

Sept 2020

A note for our Crestview High School Families:

Thank you for all of your support for our students and staff as we navigate through this unique time in our life! We want to update some information:

- Progress reports will go home for students who have failing or near failing grades. In person students will bring them home 10/1, and remote students will be sent in the mail on 10/1.
- One View forms need to be completed as soon as possible, whether students are attending remotely or in person.
- Thursday, Oct 8th are virtual parent/teacher conferences from 3:00-9:00 pm. If you would like to schedule a virtual meet, please contact Mrs. Nappi at the high school office or email [lnappi@crestviewlocal.k12.oh.us](mailto:lnappi@crestviewlocal.k12.oh.us). We will send a Google meet link to your child's Crestview email account for you to connect with the staff.

We are finding that our remote students are needing to have some in person time with staff. We are asking students to come into the building on the remaining remote Fridays in the first nine weeks, 10/2, [no school 10/9], 10/16, 10/23 and 10/30 so we can offer additional assistance, tutoring or in person assessments. If your student needs single student accommodations for health reasons, please make the teacher aware and we will arrange a time and space.

The schedule for these remote days for students to come in will be established by a teacher by prior arrangement OR the following schedule. Students must come at the START of the interval to take the assessment:

9:00 am - 10:00 - Electives (STEM, Art, Psychology, Current Events, Band, Choir, Tech, Pers Finance, etc.)

10:00-10:45 English

11:00-11:45 History

12:00 - 12:45 Science & Foreign Language

1:00-1:45 Mathematics

Please have the STUDENT make arrangements for any necessary adjustments with their teacher.
