Board Interview Questions 2

While Crestview has in general fared well on the state report cards, the latest one showed Crestview in the top third, but not at the top. What proposals do you see needed to help Crestview students fare even better in the next go round?

A building project through the Ohio Schools Facility Commission will be presented to the board in June for a November ballot initiative. What things would you like to see included in the project? Are there things you see as unnecessary? What will it take to get a majority of yes voters?

In recent years, the Crestview motto has been "the heart of the community." How do you feel the school is doing in living up to that ideal and where would you like to see improvements in the school district?

What do you enjoy about being considered to serve on the school board or why are you interested in serving?
