Dear Families:

I want to thank all of you for a great 2016 - 2017 school year! It is hard to believe that we are at the end of the year. We will have an early dismissal on our last day of school. **We have much to celebrate and we will be dismissing our students early ON MAY 25, 2017.** We have met our state requirements for the year and we say "ALOHA!"

Next week we have much to celebrate! First, our baseball team has qualified for regionals for the First Time EVER! Secondly, we have several track athletes that qualify for regionals. Third, we have many reward and recognition programs to honor all students for academic and extracurricular achievements. However, the most significant and important is graduation! The class of 2017 will graduate on Sunday May 28, 2017 at 2:00 PM in the PAC. For the first time ever, we will be streaming our graduation live to the world. You can check our website and social media for more information early next week..

Another cool item for next week is that our elementary Destination Imagination Team has had much success in our state! They will be competing at Global Competition in Knoxville, Tennessee. A walk through celebration will occur on Monday, May 22, 2017 at 2:30 PM at the elementary school. We are one of 3 schools in Ohio to qualify and there will be students from over 40 countries competing. Good Luck to our DI Team! Below are a few more events:
