

## Vision of Crestview High School

- ❖ Have a positive influence on the student's development.
- ❖ Enhance student skills and provide students the opportunity to learn to function independently.
- ❖ Develop student's social, cultural, and civic awareness and participation.
- ❖ Provide each student with a safe and supportive environment.
- ❖ Promote self-discipline, responsibility and successful learning so students become productive members of society.
- ❖ Share with home and community the responsibility for educating, for motivating, and for teaching respect.
- ❖ Instruct students on safe, responsible use of technology so that they integrate it into the education process.
- ❖ Encourage physical fitness and mental wellness.
